Recall Danner Campaign  
Attn: Bob Lamonica  
P.O. Box 524  
Santa Cruz, CA 95061

March 3, 1995

Dear Mr. Lamonica,

I am glad to hear of your interest in making a presentation to the SCAN Steering Committee. Because our agenda is normally very busy, I want to give you some guidelines for your presentation that will help us make the best use of our time together.

- Advance Materials: Please provide a minimum of 15 copies of any material packets that may help SCAN Steerers understand your issue better. We request that all material be submitted at least ten days prior to the meeting you wish to attend so Steerers have ample opportunity to review the issue and prepare questions.
- Written Proposal: If you are asking the Steering Committee to adopt a formal position or action on an issue or to support a candidate for public office, please state your request clearly in writing. This proposal must be submitted in advance of your presentation.
- Time Limits: Unfortunately, we do have to limit presentations and follow-up discussion to 10-15 minutes. We appreciate your consideration of our time constraints.

The Committee will consider your request and respond to you in a timely fashion following the date of your request.

I hope this information is useful to you. Please do not hesitate to contact me at 458-9425 if you have further questions. I look forward to seeing you.

Sincerely,

J. Robbins  
SCAN Coordinator

April 10, 1995

Dear Mr. Lamonica,

We want to thank you for attending our April 5th meeting of the SCAN Steering Committee and for allowing us to hear your interest in SCAN's possible participation in the recall campaign against District Attorney Art Danner.

Unfortunately, we are unable to join your efforts in the campaign at this time. Though your issues are very serious and sincere, we feel that we can not provide the type of organizational support that would be required to mount an effective campaign.

We appreciate your energy and passion for this issue and wish your campaign well in its endeavors.

Sincerely,

J. Robbins  
SCAN Coordinator
