

113 Word Speech to SC Board of Supervisors 1-25-22

Bob Lamonica, Santa Cruz.

There are two Danner plaques on the County Building.

One coming up the Courthouse steps.
The other, the entrance to the District Attorney's office.

Their purpose is to cover-up abuse of power.

In 1987, the victim of D.A. Danner's at-fault bodily injury car wreck was blood tested and the D.A. was not, and he had just been drinking.

Overlapping his June 1994 re-election, D.A. Danner directed timecard falsification, procedurally exonerated by Board of Supervisors Resolution Number 114-95.

Those two plaques are as historically revisionist as Confederate statues.

You are accountable to history.
You are accountable to local application of values.

Board of Supervisors, take down those plaques.

Thank you.
